Job Title: Frontend Developer

Company: BrightTech Solutions

Location: Berlin, Germany

Employment Type: Full-time

Remote: Yes, flexible remote options available

About the Role:
BrightTech Solutions is seeking a talented Frontend Developer to join our dynamic team. You will work closely with our UX/UI designers and backend engineers to build responsive and interactive web applications. Your role will involve implementing new features, maintaining existing codebases, and optimizing applications for performance.

Responsibilities:
- Develop and maintain web applications using React.js
- Collaborate with cross-functional teams on feature development
- Ensure the technical feasibility of UI/UX designs
- Optimize applications for speed and scalability
- Participate in code reviews and team meetings

Requirements:
- 3+ years of experience in frontend development
- Proficiency in HTML, CSS, JavaScript, and React.js
- Experience with RESTful APIs
- Strong problem-solving skills and attention to detail
- Good communication skills in English

Benefits:
- Flexible working hours with remote options
- Health insurance coverage
- Professional development opportunities
- Collaborative and inclusive team environment
